

STARBASE KELLY

PRESENTS

2007 SUMMER STUDENT ACADEMIES

For
Children of Lackland AFB Families

WHO: Kids associated with Lackland AFB who have just completed the 4th or 5th grades.

WHEN: Five day Program - 0900 to 1430 daily.
Two Academies - **June 4-8**, or **July 30-August 3**.

WHERE: At STARBASE KELLY - on the 433 AW ramp near the 433 AW HQ. It's the gray and green triple wide trailer on Galaxy Road between 433 Wing Headquarters and the 433 Maintenance Squadron. We'll send directions to parents who register.

HOW MUCH: Free! Kids only need to bring a lunch.

WHAT: For over twelve years Starbase Kelly, sponsored by the 433 AW, has offered a FUN, educational program for kids from the school districts around Kelly Field. This summer we want to again offer the same program to kids of Lackland AFB. We'll do aircraft tours, scientific experiments, teamwork and goal setting exercises, rocket building and launching, and computer flight simulation. We'll prove that kids can learn and have fun at the same time.

For More Info Call Starbase Kelly at 925-3708 or e-mail "starbase@stic.net"
